Dear Dr. Warren,

Replying to your nice letter, I am pleased that you liked my story, & reference to you -

As for I have sent out 800 copies, going down list Arizona, Ala, Cal to New Mexico - but no replies, & no one has written for pictures, so I haven't had cuts made.

However before Feb 1<sup>st</sup> I intend sending story to rest of 2000 dairies in the U.S.

I shall certainly plan to meet & hear you in Raleigh -

But you have three days between Asheville Jan 29 & Raleigh Feb 1<sup>st</sup>, so I most cordially invite you to run up to our city, to run out & see our Nancy Hanko home, near it is the Hargrove home, built before

1815, or on Sunday - then Monday  
go to Oxford & see our records, then  
on to Raleigh -

You notice I do not mention any  
old families in my story - there  
are many descendants of the Hargreaves  
here, our Nancy's mother's people -  
also of Chief Justice Leonard Henderson  
after whom our city is named, who it  
is said seduced our Nancy & gave a  
man a horse & buggy to take her to his  
home near Salisbury -

So very little is said of the story  
here, & I expect some criticism for  
printing it - though I'm "expurgating" it.

Very truly

John B. Watkins Jr.

Mr. John B. Watkins, Jr.  
Henderson, North Carolina

My dear Mr. Watkins:

I wish I had some definite information about my Raleigh engagements but as yet I have not sufficient information to tell you where I will be in the city on that day.

Possibly it will be convenient for me to come out to Henderson and if so, I will either telegraph or telephone you with reference to the hour of my arrival.

I would like very much to go over the Lincoln country there as I am sure there is very much of interest to be seen.

Very truly yours

Mr. John B. Watkins, Jr.  
Henderson, North Carolina

Dear Mr. Watkins:

Back at my office again after a very long itinerary I find in checking over my correspondence that I should write and tell you how sorry I am that I did not have a chance to meet you; due to flood waters primarily my engagements at Raleigh were canceled, and I did not come through that section of the country as I had anticipated.

Hoping, however, to be able to contact you at some other time, I am

Very truly yours,

The best recollection I have about  
what Grandfather told me about  
where he came from and about his people  
was that he was raised in Davie County  
N.C. that he came to Va. the last year  
of the Revolutionary War. that <sup>he</sup> was about  
17 years old when he came to Va. and  
that he had six Brothers in the Army or that  
he had the six — and further I do not recollect
